

MEMORANDUM FOR: For all Commercial Brass Pickers

25 April , 2018

FROM: BRSP Board of Directors

SUBJECT: New fee for commercial brass pickers

This letter is in effect when published.

The BRSP Board of Directors has decided to charge a fee for anyone that is picking up spent cartridges for profit (brass) on the BRSP property. This includes spent cartridges that will be sold for scrap, at gun shows and other commercial ventures. This fee will not be applied to the casual shooter that picks brass for their use.

The fee will be \$10 per day per brass picker. The fee will be paid on the last day of the month at the Rifle and Pistol Club house during normal business hours.

The brass pickers will sign in with the RSO on duty before they will be able to start picking brass. If brass picker fails to sign in with the RSO they will be asked to leave the property, if this happens five times the picker will be banned for 30 days.

Brass pickers will only be able to pick up brass on unoccupied ranges. Unoccupied ranges are defined as no shooters on the range at all, whether they are setting up, shooting or tearing down and packing up.

//Signed//  
Dave Kaiser  
BoD President
