

My name is Don Easterly, and I'm writing as a member in good standing to express my intent to run for a position on the BRSP Board of Directors in the next annual election.

Over the years I've participated in leagues on both the shotgun and rifle/pistol sides of the facility, and believe the boards oversight will benefit from having members that have a balanced approach and represent the needs of both communities - which tend to have little crossover in participation between them.

I believe BRSP is uniquely positioned to foster and grow participation in shooting sports and promote safe, responsible gun ownership in our community, and look forward to the opportunity to serve alongside the other board members as we work towards those goals.

Regards,

Re: Brief Bio of Don Easterly, Candidate for Board of Directors

- Life NRA Member
- I'm a life-long Alaskan (but for a brief professional sentencing to California and Texas) and have been a member of BRSP for several years.
- Currently an Account Manager for Alaska Instrument Company, a process instrumentation manufacturer's representative.
- I've been personally responsible for managing multi-million dollar sales budgets, payrolls and inventories, with staff sizes of as many as 150 to 200 people. I've helped my companies turn around underperforming locations and manage major changes to processes, plant and equipment.
- Most of my early professional life was spent in the outdoor sporting goods field at both the retail and wholesale levels. I maintain relationships with people in those industries.
