

## LORINDA (LINDY) MOSS

### LETTER OF INTEREST & PERSONAL BIOGRAPHY

---

I was born and raised in San Diego, CA in 1952. I entered the US Army in the 70's, serving under General George S. Patton III at Fort Hood, TX in the 2<sup>nd</sup> Armored Division. I attended college in Northern California while raising a family. I have worked as Administrative Assistant to three corporate CFO's over 20 years. I have three living children and one deceased, and 8 grandchildren. I moved to Alaska in 1999, and partner with my husband in our small business since 2003. I have been an EPM member in good standing with Birchwood Recreation and Shooting Park since 2014, and am qualified to hold office.

I have an extensive background in business, bookkeeping, human resources and payroll, volunteer work, community service and working with youth. I have assisted my husband in teaching Basic Hunter Ed to Special Needs children. I am a member of Upper Susitna Shooters Association, NRA, ACUI (Association of College Unions International) Shotgun Coach, Rocky Mountain Elk Foundation, Certified Level 1 NRA Shotgun Coach, a founding member and member of the Advisory Board of USAYESS and Shoot Administrator for Alaska SCTP-YESS. I have acted as Shoot Administrator for sanctioned Regional events in Seattle, WA and Cody, WY, and have assisted the SA at ACUI Regional Championships.

I was the first adult Explorer Scout leader in Sonoma-Mendocino Council to be awarded the William H. Spurgeon III Award in 1997, which is the highest recognition for individuals contributing significant leadership to the Exploring Program, specifically for growing the Explorer program from a small handful of posts with fewer than 30 scouts to over 700 Explorer Scouts and numerous Posts across Sonoma-Mendocino Council in California in less than two years. I have held the office of Treasurer, then Secretary, to Alaska SCTP since its incorporation in 2010, and since that time being highly instrumental in growing the program from three teams to 20 in 2017.

In 2014, we brought the Mat-Su AlaskaYESS teams to BRSP for practices, as well as all of the competitions, including the Junior Olympic State Qualifying Matches in Trap and Skeet and the AlaskaYESS State Championship, which brings youth from all over the state to BRSP for four days of clay target competition. Our program has been responsible for adding valuable EPM memberships to BRSP in the past 4 years, bringing adult shooters and their families to both sides of the park!

On a personal level, I enjoy hunting, shooting, fishing and have a lifetime love of the outdoors. I utilize both sides of the facilities at BRSP, though admittedly I am generally found on the clay target side of the club. I have shot all types, calibers, gauges, actions and styles of firearms, including handguns, black powder, rifles, shotguns and automatic weapons.

I have a great deal of experience and valuable skills to benefit and help govern BRSP as a member of the BOD. As a woman, business owner, volunteer and knowledgeable shooting enthusiast, advocate for Second Amendment rights and champion of youth and young adults, I believe that I will bring a fresh voice to the Board. I believe that Birchwood Recreation and Shooting Park is One facility, One club, all members united to support and grow and renew the membership, listening to member concerns and suggestions while managing the Park in a fiscally conservative manner, planning for the future.

I would greatly appreciate your vote, but above all, I hope all the members will vote in this election!
