My name is Loren and I would love to be considered for a position on the BRSP Board of Directors! My Range Safety Dog, Amira, would also love your consideration as she would be my trusty assistant.

I have been involved with a variety of shooting sports activities at Birchwood over the past few years; Rifle/Pistol League shooting, Steel Challenge, USPSA, 2-Gun, and I recently completed my first 3-Gun competition! I am also a certified NRA Range Safety Officer as well as a USPSA Range Officer. Amira also attends many shooting competitions and is a phenomenal cheerleader.

I love shooting, as I am sure most of us do, and I am passionate about promoting the sport and increasing participation. Particularly, I hope to encourage more women to come out to the range and become more confident handling firearms.

Birchwood is a fantastic range and I hope to contribute to the future development and enhancement of the park over the coming years. I have heard many ideas for improvements and would love the opportunity to give back to the park, and provide a fresh prospective on the future of Birchwood.

Please consider voting for me as a board member and don't hesitate to reach out if you have a question or just want to chat about guns. And if you see me and/or Amira out on the range come say hi!

Thank you,
Loren
